

# Targeting the Cause... ... not just the Symptoms

PremierPhysio is an exciting new treatment centre located in Runcorn Old Town. With on-site physiotherapy, acupuncture and podiatry, we believe we should be your first port of call for any aches and pains.

We pride ourselves in providing excellence in all areas of service to our clients; from evening/weekend appointments and complementary refreshments, to personalised exercise regimes. At PremierPhysio we understand that you want to return to a pain free life as soon as possible.

We have a team of highly qualified and chartered clinicians, specialising in the treatment, management and prevention of a wide variety of conditions. These include: sports injuries, back and neck pain, headaches, repetitive strain, arthritis and whiplash. Treatments range from manipulation, massage, electrotherapy, strengthening and core stability exercises, to gait analysis and custom made insoles.

We're registered with all medical insurance companies and offer home visits.
